Re: CALFED Ecosystem Restoration Roundtable -  
CWA Resignation

Dear Wendy:

Please let this letter serve as formal written confirmation of California Waterfowl Association's resignation from the CALFED Ecosystem Restoration Roundtable – effective today. As we discussed, prior to the next Roundtable meeting, we will submit a more detailed resignation letter for distribution to Roundtable members, Interim Science Panel and ASET representatives, CALFED staff, agencies, and other interested parties.

Sincerely,

Bill Gaines, Director
